**93% are Thankful this Thanksgiving in the latest poll from
MinionMonitor.com**

ORLANDO, FL (November 24, 2008) – A recent poll by MinionMonitor.com, a new site dedicated to Americans earning up to \$50k/year, shows that most are truly thankful this Thanksgiving. The poll was taken among 500 visitors to MinionMonitor.com from November 17 to November 23.

So even though the economy is a mess and the war wages on, Minions are a thankful bunch. Isn't that a good thing?

Dave Durk, 48 of Orlando FL makes \$8/hour working at a retail store at the airport. Says Dave, "I'm thankful for my partner, my job, my happy art, my three dogs and my seven cats." What's Dave not thankful for? "Not much. Life is a gift and every day is a new adventure."
